Name	Phone	Email	Age if Junior

Is this a renewal or new membership? _____

If new, how did you learn about the club? _____

Some of the areas that are explored by the club include:

- *Earth sciences (geology)*
- *Rocks, minerals, gems, fossils (identifying, collecting, displaying, field trips)*
- *Lapidary crafts (cabbng, tumbling, faceting, carving)*
- *Related crafts (beading, wire wrapping, metalsmithing, jewelry making)*

Tell us about your interests, skills, and current knowledge of these subjects.

What are your primary interests?

What would you like to get started learning / doing?

In what areas do you have some expertise but want to improve?

Are there areas where you have sufficient expertise to assist other club members or discuss during club meetings?

Do you have a collection or related crafts work that you could show to members at club meetings or display at the club show? _____

Are there places you would like to go on a field trip or places you have previously visited that you would recommend as a field trip? _____

Are you willing to help as a volunteer on any club committees?
